

Wilseyville Homeowners Association

**NEIGHBORS HELPING NEIGHBORS PROGRAM**

**Purpose:** This program is designed to bring members of our community together the old fashioned way – neighbors helping neighbors. If you have something you'd like help with that would benefit both you and our little community (weeding, mowing, painting, hauling, exterior house and fence repairs, etc.), members of our community may be available to help you with your needs

**Instructions:** Complete this form and submit it to an officer of the WHA, or you can post it on the WHA Community Bulletin Board at the Wilseyville Library. (Note that a form must be completed for each project you need help with.)

Every effort will be made to provide assistance with your project. It is important to note, however, that submittal of this form does not entirely guarantee that such assistance will be provided.

**Note:** This program is geared for homeowners/residents of the Wilseyville Camp on Blagen Boulevard and includes all lots owned by members of the Wilseyville Homeowners Association (Lots 1 - 29) as well as the “common areas” (Lots 30 and 31) owned by the WHA. Residents of the Wilseyville Camp (both WHA members and their renters) are encouraged to lend a helping hand to their neighbors by volunteering their manpower for the betterment of the Camp and its residents. **Time spent in the completion of the project submitted on this form will be credited toward your community service hours (2 hours per month required of each household).**
